With over 20 years of experience in acting, screenwriting, directing, and work as a DP, editor, VFX supervisor/artist, and AD, I understand how everything comes together from concept to picture lock. I know how to move with the camera & utilize the framing, how to find the light, and what makes the best

takes. I feel that over 10 years of behind the camera experience has drastically improved my on-screen presence and performances. I'm actively enrolled with the Beverly Hills Playhouse, studying scenes weekly.
